

Dear Colleague,

**WORKING TOGETHER TO SUPPORT OUR COMMUNITIES**  
**INVITATION TO A WORKSHOP**

We are embarking on an ambitious programme to implement and design a new approach to delivering a more personalised and community-based model of services in Sefton that will improve quality of life for all.

Our ambition is to work together as one team to provide the best possible services for our communities, promoting and improving health and well-being as well as promoting greater independence and control for people who use our services.

We are all agreed that we need to work closely with Sefton's rich and diverse voluntary, Community and Faith sector and other active citizens such as Patient and Carer representatives and Healthwatch Community Champions in order to ensure that our many community assets are engaged and supported within the design and implementation of this new approach.

We are therefore inviting you to attend one of the 2 workshops that have been planned to give you the opportunity to both hear in more detail about these ideas but also to shape the way you or your organisation wants to be involved in it driving forward in a positive and inclusive way

The two workshops planned in Sefton are:

**Wednesday 3<sup>rd</sup> October** – Crosby Lakeside Adventure Centre (CLAC), Cambridge Road, Waterloo, Liverpool, L22 1RR

**Wednesday 10<sup>th</sup> October** – Waterside Lodge, Marine Drive, Southport PR8 1RY.

Both events will run from 9.30am to 2pm and lunch will be provided.

To book your place, please complete and return the attached booking form to [events@seftoncv.org.uk](mailto:events@seftoncv.org.uk), or alternatively please call 0151 920 0726. Please include details of any dietary or accessibility requirements. Bookings are available on a first come first served basis.

Kind Regards,
