

NEW REALITIES

A 'CAN-DO' COLLABORATIVE AGREEMENT FOR SEFTON COUNCIL
& SEFTON'S VOLUNTARY, COMMUNITY & FAITH SECTOR

As part of Sefton Council's **STAR Awards 2019**, Sefton CVS are asking local voluntary, community and faith sector groups to **nominate an individual or a team within the local authority** who have demonstrated the **key principles of the New Realities partnership**, and those who have adopted a 'can-do' attitude when working with you and your group.

The New Realities Partnership Award will go to the individual or team that has:

- Demonstrated a positive 'can-do' attitude when working with a local group or organisation
- Providing assistance in overcoming a barrier or obstacle that would otherwise impact on the group's work
- Understood the value and role of the local voluntary, community and faith sector in making Sefton a great place to live and work
- Demonstrated a 'common sense' approach to working in partnership with the local voluntary, community and faith sector.

Any of which that results in a positive outcome, promotes the benefits of partnership working and makes a difference in the community.

Closing date for nominations: **12noon on Monday 28th October 2019.**
Please submit all nominations to: **communications@seftoncv.org.uk**

NEW REALITIES AWARD - NOMINATION FORM

Please provide the name of the individual or department within Sefton Council that you wish to nominate

--

Please provide a summary of how this individual or department has helped your group and how they demonstrate the principles of the New Realities agreement. Please include as much information as possible (Please see Page 1 for details) **Max 600 words**
